SUBJECT: Executive Summary
Paraho-Ute Shale Oil Facility
ACT/047/003

The purpose of this memo is to request a brief descriptive summary from each of you concerning your review of the Paraho MRP application according to your specific discipline.

This summary be it, soils, biology, revegetation, engineering, etc., will enable me to put together an Executive Summary for the Board next month.

I would appreciate you descriptive summaries ASAP, or by December 8th, if possible.

If this time frame will create conflicts with your schedule, please let me know.

Thank you.
